

EVALUATION OF COACHES POLICY
(Head & Assistant)

Annually, during the month of May, every Head Coach and Assistant Coach will be evaluated by the Boys and Girls Directors. This evaluation process shall consist of personal observations and/or feedback from players and parents via a “Coaches Evaluation” form which will be maintained on the Club’s website. These evaluations can be used by the Directors in selecting future coaches and should be used to foster growth in the area of coaching youth in the game of soccer.
