

CLUB AND TEAM FUNDRAISING POLICY

The Brockport Soccer Club recognizes individual teams may want to raise money for additional equipment; training time; indoor leagues and/or tournaments above and beyond what the Club provides to them. Club and team fundraising is an acceptable way to raise this money. All proposed fundraisers must be submitted to the Director of Web Matters and Communications at least one month prior to the proposed event. The proposed fundraiser will then be presented to the Board of Directors for approval. The Director of Web Matters and Communications will maintain on the club website a calendar of Club and Team fundraising events.
